MEMBER

ORDER

1. The Committee is in receipt of your proposal seeking for revision of school fee structure under Rule 64 (5) of the Puducherry School Education (Amendment) Rules 2024. Earlier, the School Fee Committee fixed the fees for the academic year 2022-23, 2023-24 & 2024-25. Now, you have sought for revision of the fees fixed by the Committee.
2. The Committee has carefully considered your proposal along with the materials submitted by you. From the perusal of all the materials, the Committee found that there is no significant variation in the total expenditure of your School from the year 2024-25 and the strength of the students which require the revision of school fees fixed earlier.
3. However, considering the fact that there is a steady increase in the salary of the teaching and non-teaching staff and escalation in the maintenance expenditure, infrastructure

expenditure and other developmental charges, the Committee is of the considered view that by increasing the School fees by 10% from the previous academic year (i.e. 2024-2025) is sufficient to meet the need of your School. The revised fee structure is annexed along with this Order.

4. If the School is aggrieved with the decision of the Fee Committee, they shall file their objection with sufficient material in support of their objection before the Committee within 15 days from the date of receipt of this Order.
5. The Committee will consider the objection and after hearing the school Management and pass orders within 30 days from the date of receipt of such objection. The orders passed by the Committee thereon shall be final and binding on the school for three academic years as indicated above. At the end of the said period, the school will be at liberty to apply for revision.
6. The fees thus fixed by the Committee will remain in force for three years as above.
7. The Management shall not collect fees in excess of the fees fixed by the Committee. If the school is found violating this order, suitable action will be taken as per law.
8. The fees may be collected term-wise, so as to avoid financial burden on the parents.
9. Separate fees structure fixed for the books, notebooks, uniform material provided by the school, and laboratory charges for classes IX, X, XI, and XII for each student.
10. The fees will not cover transportation charges levied by the school for providing transport facilities to students. Transportation charges should be restricted to the actual and no excess fee shall be levied from parents.
11. The fees fixed will not cover the charges for Extra-curricular activities / facilities like swimming, abacus, yoga classes, etc. The actual cost of such activities may be collected, after getting prior approval from the Committee.
12. This order shall be displayed on the Notice Board of the school for information of the general public / parents.

The Following fee Structure for academic year 2025-26, 2026-27 and 2027-28.

Academic Year	CLASS					
		LKG/UKG	I – V STD	VI – VIII STD	IX & X STD	XI & XII STD
2025-26	TUITION FEE	37500	40200	42800	46900	52100
